

Van Buren Township DDA District's **Verdeterre Contracting** Awarded 2016 "Michigan 50 Companies To Watch"

The Van Buren Township DDA congratulates local, family-owned Verdeterre Contracting on its recent recognition as a top company to watch in Michigan! Verdeterre is part of our thriving DDA district with its location at 7994

Belleville Road. Presented by Michigan Celebrates Small Business (MCSB), the "Michigan 50 Companies To Watch" honor highlights the achievements of Michigan businesses with six to 99 full-time-equivalent employees who reach \$750,000 to \$50 million in annual revenue or working capital.

Verdeterre's sales have grown 9% over the past two years, with a net income increase of 50%! Five new team members recently joined the company, along with four state-of-the-art pieces of Caterpillar construction equipment. To accommodate this significant growth, Verdeterre will soon double its current office space and add more team members! Verdeterre attributes its impressive success to capitalizing on construction trends and building strong connections throughout the region, which allows the company to stay ahead of competitors.

Established in 1980 as a site utility company, today Verdeterre offers a broad range of services to meet the unique needs of customers across the state: site demolition, utility installation, grading, and related projects. Major public clients include the Cities of Ann Arbor, Southfield, and Ypsilanti; Northville, Canton, Monroe, and Pittsfield Townships; and Oakland and Washtenaw Counties. Private clients include Douglas, Triangle, Kirco Mannix, Bouma, Schonscheck, Granger, McCarthy Smith and National Heritage Academies.

The DDA is very proud of Verdeterre Contracting and wishes the company continued growth and success!
